DATIM Release 1.28.k was deployed on November 05, 2019.

DATIM 1.28.k includes data changes

Update:

- **Data cleanup:**

    - Cameroon requested the deletion of unapproved data for FY18 Targets tied to mechanism 13799.
    - South Africa requested the deletion of CXCA_SCRN Results data for FY19 Q2: These data were entered incorrectly.
