

DATIM Release 1.30.0 was deployed on November 10, 2020.

DATIM 1.30.0 includes data changes

Update:

- **Data cleanup:**

- Senegal FY20 Q2 Results: Senegal requested to move data from mechanism ID 81440 to mechanism ID 81365. The data for mechanism 81440 were entered by mistake.
 - Angola FY20 Q2 Results: Angola requested to correct FY20 Q2 to classify all HTS_INDEX data in mechanism ID 81010 as TA. The data were incorrectly classified as DSD.
 - Angola FY20 Q1, Q2, and Q3 Results: Angola requested to move all data from mechanism ID 17850 to mechanism ID 81002. The data were incorrectly entered into an “expired” mechanism.
