

DATIM Release **1.31.k** was deployed on March 09, 2021.

DATIM 1.31.k includes org hierarchy changes and data entry updates.

Update:

- **Organizational hierarchy update:**
 - Cameroon requested to update 1 site

- **Data Entry Updates:**
 - Resolved an issue preventing Interagency user access to the *Host Country Results: Narratives (USG)*, *Host Country Results: COP PSNU*, and *Host Country Results: OU Level* data sets in the Data Entry App
