

**DATIM Release 1.32.j** was deployed on November 23, 2021.

DATIM 1.32.j Includes data and organizational hierarchy changes.

**Update:**

- **Organizational hierarchy update:**
    - Cote d'Ivoire requested to relocate 4 sites
    - Asia Region requested to add 8 sites
  
  - **Data Cleanup:**
    - Completed data changes for Nigeria (FY21Q2); removed all values reported under Centrally Support (CS) for HTS\_TST (CS) for mechanism 81856. The data were entered by error and have already been entered in the correct space (DSD)
